

PRODUCT CATALOGUE

Welcome to the world of **SPARSH**. For the last **26 years** we are a leading innovator in the manufacturing and wholesale distribution of high-quality plastic furniture and household products. With a steadfast commitment to sustainability, durability, and design excellence, we deliver versatile solutions that seamlessly combine functionality and style for homes and businesses alike.

Founded on a passion for creating practical and aesthetically pleasing everyday products, we leverage advanced manufacturing technologies and sustainable practices to produce a diverse range of offerings. From ergonomically designed chairs and tables to space-saving storage solutions and kitchen essentials, our portfolio reflects a deep understanding of modern living needs.

We believe that exceptional products begin with a vision to improve everyday life. Let us be your partner in shaping spaces that are stylish, functional, and sustainable.
